WHO WE ARE

Success Circle is a place to
recognize progress that might otherwise be overlooked, and
celebrate resilience.
We remind one another that
recovery is a collection of moments,
one moment at a time.

We have shared the tough times. We need to, and there are places for that. But when there is a moment of clarity, connection, or love, we need to share that too, without guilt or feeling selfish.

Your loved one smiles. A good text. An uneventful meal together. A few peaceful hours. Hearing "Thank you." **These moments are meaningful. They matter.**

When we begin to look for them, we start to see more clearly the beauty, courage, sometimes humor, and love in the people we care about. **We are the ones who remember.**

Stories heal. Sharing them helps other families recognize these moments too. And when the big steps come, we love to hear about them, be inspired by them, and celebrate them together.

The Success Circle offers a compassionate, welcoming space for families to share their stories of success. Whether they are major breakthroughs or small, they deserve to be noticed.

Members are invited to reflect on moments of healing, encourage one another, and learn from each other's experience.

We meet on Zoom on the
third Tuesday of each month at
4:00 PM PT / 7:00 PM ET
